Table 3

Q3. In 2015 Wales switched to an 'opt-out' system where all adults are deemed to have consented to transplantation unless they have explicitly opted out, or if transplantation would cause significant additional distress to their relatives. Before implementation, there was widespread publicity about the change. Would you support a similar system being introduced elsewhere in the UK?
Base: All respondents

	Gender		Age							Social Class				Region				Ethnicity			
	Male	Female	18-24	25-34	35-44	45-54	55-64	65-74	75+	AB	C1	C2	DE	South East	Mid-lands	North Eng-land	South West	Scot-land	N. Ireland	White	Non-white
